ReAct General Information

Before you fill in the form:

Please read our guidance notes, then complete this jointly with the person you are recruiting. Please use a separate form for each new recruit.

Use **BLOCK CAPITALS** and answer all questions. If you make any mistakes, cross them out and write your initials next to them. Do not use correction fluid to amend any details. Please note we cannot accept photocopied application forms. Printed PDFs are acceptable. **Please ensure that this form is completed in full. Incomplete applications will not be processed and will result in the start of employment being delayed.**

Remember, you will not be eligible for this funding if the employee starts working for you before your application has been approved. Please note that European funding regulations prevent the ReAct programme from supporting jobs in the public sector.

Your new recruit should now check their eligibility and complete Sections 1 to 4. You can then complete Sections 5 to 8, and send the form back to the ReAct Team in the Welsh Government.

If you need help completing the form contact the Skills Gateway for Business on **03000 6 03000**.

IT'S TIME to fill in the form now Remember, if the employee starts working for you before you apply, you won't be eligible

Section 1 - Your new recruit fills this in

First check your eligibility – your employer can only apply for this if the following applies to you:

- you must be a resident in Wales at the date of issue of notice of redundancy and reside in Wales at the time of application and have the legal right to live and work in the UK.
- you must have become unemployed in the last three months as a result of redundancy or are under a current notice of redundancy with a leave date within the next three months.
- you must not have been in continuous new employment (16 hours or more per week) for six weeks or more in between being made redundant and applying for ReAct funding.
- you must not be undertaking (or have not undertaken since being made redundant) any training which is funded directly or indirectly by public funds. This includes, but is not exclusive to, the Welsh Government's work-based learning programmes.
- you must not be re-employed within 12 months of being made redundant, by the same company which made you redundant in the first place.

Please note that every application is assessed on its own merit and approval is at the discretion of the ReAct Team in the Welsh Government.

If you are a current or ex-director or current or ex-company secretary of the company from which you are being made redundant it is unlikely that you will be eligible for support. Please contact the Skills Gateway for Adults on **0800 028 4844** to discuss your individual circumstances.

Now please complete Sections 1 to 4. You must include evidence of your redundancy e.g. redundancy letter, and evidence of your National Insurance number, address and date of birth. If you require any advice about which documents are acceptable, please contact the Skills Gateway for Business on **03000 6 03000**. Copies will be accepted at the application stage but please make originals available for certification by the ReAct Monitoring Team following approval.

If you do not, it will delay the application.

Section 2 – Equal opportunities monitoring

One of the aims of the European Structural Funds (ESF) programmes is to promote equal access for all to the education, training and employment opportunities offered through the programmes and to prevent any discrimination on the grounds of gender, disability, ethnic origin, religion or belief, age, sexual orientation and with regard to the bilingual nature of many of the region's communities.

To ensure that the ReAct programme is meeting the above commitment, we need to collect some information about you. The information you provide will be processed and managed by the Welsh Government in accordance with its obligations and duties under the Data Protection Act 1998, Freedom of Information Act 2000 and Environmental Information Regulations 2004. The information you provide will be shared only with the Welsh European Funding Office (WEFO) for statistical and evaluation purposes. From time to time, we engage with external research organisations to evaluate the performance of the programme.
