

Policy Case Study

Being a niche specialism, Yolk has not been required to fulfil multiple Policy roles for the same client.

This case study highlights the successes of recent placements we've made for several organisations in relation to Policy positions:

- ✔ Policy & Project Lead
- ✔ Corporate Governance
- ✔ Compliance Manager
- ✔ Governance & Assurance Business Partner
- ✔ Data Governance Consultant

If you'd like to hear more about how Yolk Recruitment can help reshape your recruitment needs, get in touch.
