

Property Case Study

Our client is a Not-for-Profit organisation which serves 3 million customers in Wales, Hereford and on the English border.

They employ upwards of 3,000 colleagues across sites throughout Wales.

Yolk has been working with the client as part of a preferred supplier list of 2 agencies for each specialism since 2020. Since that time Yolk has made 63 successful placements with them across temporary, contract and permanent roles.

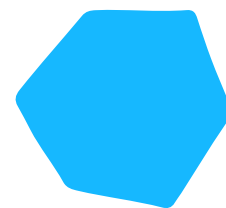

We have complied with the client's process which includes:

- ✓ Meeting candidates face to face/via Teams
- ✓ Uploading candidates to a portal
- ✓ Facilitating online testing – shortlisting only those who pass
- ✓ Completing DBS checks for each candidate
- ✓ Onboarding support

Yolk continues to supply the client across all specialties for temporary contract and permanent positions.

Yolk has successfully placed the following roles with the client in the last 2 years. These have included but not been limited to:

- ✓ Facilities Project & Programme Manager
- ✓ Electrician
- ✓ Site Managers (multiple)
- ✓ HR Coordinators (multiple)
- ✓ IT Category Manager
- ✓ Service Desk Analyst
- ✓ Customer Advisors (multiple)
- ✓ Vulnerability Manager
- ✓ Mechanical Fitter
